KERHONKSON, MILTON FIRE DEPARTMENTS AWARDED FEMA GRANTS

KINGSTON - U.S. Representative Maurice Hinchey (NY-22) today announced that the Federal Emergency Management Agency (FEMA) has awarded a \$44,505 grant to the Kerhonkson Fire Department and a \$16,768 grant to the Milton Fire District under the Assistance to Firefighters Grant Program. The grant was among 371 awarded nationwide in the tenth round of grants for fiscal year 2003.

"The Assistance to Firefighters Grant Program continues to pay off for fire companies in the 22nd Congressional District," said Hinchey. "We've put a lot of time and effort into funding the grant program and then making sure our companies are able to put together the best possible application. The grant announced today will help Kerhonkson and Milton firefighters to better meet the challenges they face and to maximize their safety."

The Assistance to Firefighters Grant Program was created by the 106th Congress. A member of the House Appropriations Committee, Hinchey has strongly supported providing full funding for the program. He has sponsored a number of workshops across the 22nd Congressional District to help fire departments with the grant application process.

Fire companies had the opportunity to apply for assistance in any of four categories: fire operations and firefighter safety, fire prevention, emergency medical services, and firefighting vehicles. Kerhonkson and Milton applied under the fire operations and firefighter safety category. The FEMA grants represent 90 percent of the full cost of the companies' proposal.

After ten rounds of Assistance to Firefighters Grants for fiscal year 2003, fire companies in New York's 22nd Congressional District have been awarded \$724,503.
